You have a legal right to purchase *both* Uninsured and Underinsured Motorist coverages with the proposed liability insurance policy. THESE COVERAGES PROTECT YOU, YOUR FAMILY, AND YOUR PASSENGERS. LIABILITY COVERAGE DOES NOT IN MOST CASES.

Uninsured motorist insurance provides protection for bodily injuries caused by a negligent motorist who has no insurance. Underinsured motorist coverage provides protection if the negligent motorist does not have enough liability insurance to pay for the injuries caused. For a more detailed explanation of these coverages, refer to your policy. This policy will provide Uninsured/Underinsured Motorist coverage in the same amount, unless you select a lower amount or no coverage, as stated in this notice.

You have a right to purchase both Uninsured Motorist coverage and Underinsured Motorist coverage in any amount from $50,000 single limit (or $25,000/$50,000 split limits) up to your policy's liability limit, or you may reject the coverage entirely. Neither limit may exceed your liability coverage limits for Bodily Injury.

Your Bodily Injury Limit on the policy: $100,000/$300,000
