Insurance Information and the Use of Credit

Thank you for being a Safeco Insurance customer. We appreciate your business and the trust you have placed with us.

Like most insurance companies, we use credit information as a factor in determining the cost of your insurance. We do so because research studies have shown it to be an accurate predictor of the probability of future insurance losses. Studies also show that a majority of customers benefit from the use of credit information.

It's important to understand that many factors are used to determine the cost of insurance such as driving history for auto insurance, the year your home was built for home insurance, previous insurance and claims history, discounts and coverage limits. Your credit history is also part of the overall calculation that determines your premium. We look at credit history very differently than a financial institution because we're not evaluating your credit-worthiness. We're using credit-based information in combination with other factors to help us properly price insurance risks.

FREQUENTLY ASKED QUESTIONS

Why do you use my credit information?
Insurance companies often use credit information because it is a predictor of the probability of future losses. Its use is an objective way to assess and price potential risk and enables us to more accurately price policies and equitably distribute insurance costs among our policyholders.

Is my credit history the only factor that determines my rate?
No. Many factors such as previous insurance, claims history, discounts and coverage limits go into determining what you pay for your insurance. In addition, the information you provided when you purchased your policy and the verification of that information is used to determine your rate.

How do I know if I'm getting the best possible rate?
One of the benefits of buying insurance through an independent agent is their ability to advise you on your options and ways to save money. Between the guidance of your local independent agent and a vast array of Safeco options, you can be sure you're getting the coverage you want at a competitive rate. If you have any questions, we encourage you to contact your independent Safeco agent and ask for an insurance checkup.

How is credit information used in determining my rate?
Safeco, like most insurance companies, calculates an insurance score based on information from your credit report. Different values or weights are assigned to the information contained in your credit report, such as payment history, amounts owed or the number of applications for new credit lines. The total sum of these weights creates your insurance score. As a result, it is likely that some of your credit information helped to improve your insurance score, and some lowered it. The calculation process and weights used by each insurance company and/or its service providers are proprietary and confidential. As a result, we do not disclose your specific score or the details of how it was calculated.

How did my credit information affect my rate?
Your rate was adversely affected because either we were unable to obtain an insurance score for you, or because of your credit information. If it was due to your credit information, the reasons are explained in this document under "What factors affected my insurance score?"

What can I do to improve my insurance score?
Safeco or your independent agents are not credit counselors or financial advisors, so we are not in a position to provide specific advice on how to improve your credit or insurance score. However, we can tell you that the areas that have the biggest impact on your credit report are: payment history, amounts owed, length of credit history, new credit applications and type of credit accounts. To get a copy of your current credit report, contact TransUnion and follow the instructions under "How do I get a copy of my credit report?"

**** REPRINTED FROM THE ARCHIVE. THE ORIGINAL TRANSACTION MAY INCLUDE ADDITIONAL FORMS ****

How do I get a copy of my credit report?
The Fair Credit Reporting Act allows you to request a free copy of your credit report within 60 days of receipt of this letter. To get a copy of your report do one of the following:

- Call TransUnion at 1-800-645-1938; or
- Write to TransUnion Consumer Disclosure Center, PO BOX 1000, Chester, PA 19022.

TransUnion can give you information about your credit report. However, they did not make any decisions about your insurance premium or how your policy was rated, and they are unable to answer questions about those decisions.

What can I do if I think my credit report is not accurate?
If you believe your report is incomplete or incorrect, you may contact TransUnion to dispute the accuracy or completeness of the information. At your request, they will review your credit information and if corrections are made, they will send you an updated report.

Can I get my policy re-rated if corrections are made to my credit report?
Yes. If you would like us to re-evaluate your policy after your credit report has been corrected, please send us a copy of the documentation from the credit reporting agency indicating the report has been corrected. Include your name, policy number and address, and ask for a credit-based insurance score re-evaluation. Mail your request to: Safeco ATTN: UW Verification & Policy Support, PO Box 515097, Los Angeles, CA, 90051-5097 or fax it to 877-344-5107.

Where can I go to learn more about credit and how it is used in insurance?
To learn more about credit scores visit http://www.myfico.com/CreditEducation/CreditScores.aspx. For more information about how Safeco uses information from your credit report go to http://www.safeco.com/insurancescores.

What factors affected my insurance score?
Below is more information about the factors that affected your insurance score and what you can do to improve them:

CN-7278/EP 12/21

Number of open accounts reported as 'paid as agreed'

What information is this message derived from? The score considers the number of open accounts on the consumer's credit file that have been paid as agreed.

How does this affect my insurance risk score? Research shows that consumers with multiple active accounts that are paid as agreed have fewer insurance losses.

What can I do to improve this aspect of my score? If you only have a few accounts, keeping them active and making payments on time shows that you manage your credit obligations responsibly.

(Reason Code 324)
CN-7300/EP 7/12

Average amount of time accounts have been established

What information is this message derived from? The score considers the average age of all of your accounts. Recently opened accounts will lower the average age of your accounts.

How does this affect my insurance risk score? Research shows that consumers who have a long established account history have fewer insurance losses.

What can I do to improve this aspect of my score? Open new accounts only when necessary. As accounts age this component of your score will likely improve.

Number of inquiries reported

What information is this message derived from? The score considers inquiries initiated by you when you are actively seeking to obtain credit, or to obtain higher limits on an existing account. It does not consider inquiries initiated by you to obtain your own insurance score or inquiries related to obtaining an insurance policy. Promotional inquiries (such as an offer of an unsolicited credit card), account reviews by an existing creditor, collection inquiries or other queries not solicited by you are not included in this score. Inquiries as a result of searching for rates on a similar type of loan, such as auto and/or mortgage loans are counted as one inquiry if they occur within 30 days.

How does this affect my insurance score? Research shows a correlation between applying for more credit accounts, or extending your credit, with more insurance losses.

What can I do to improve this aspect of my score? Inquiries initiated by you will remain on your credit report for two (2) years. A common misperception is that every inquiry drops your score a certain number of points. In reality, the impact each inquiry has on your score varies depending on your overall credit profile. To improve this aspect of your score, apply for credit only when needed.

Current total balance to limit of open account(s)

What information is this message derived from? The score considers the sum of all balances at the time of the credit report divided by the sum of high credit or credit limit for all open accounts reported in the last 12 months. Mortgages and accounts with balance, high credit, or credit limit greater than $35,000 are not included.

How does this affect my insurance score? Research shows that a higher proportion of account balance to limit is correlated with more insurance losses.

What can I do to improve this aspect of my score? Only utilize what you need and try to pay more than the minimum amount owed on your open accounts. The impact of this information will likely improve as your account balance decreases relative to your available credit.

However, this exclusion **(A.13.)** does not apply to the operation of **your covered auto** by you, any **family member**, or any **rated driver**. This exclusion only applies to

the extent that the limits of liability for this coverage exceed the minimum limits required by Arizona Financial Responsibility Law.

14. **Bodily injury** or **property damage** arising out of a criminal act or omission of the **insured**. This exclusion applies regardless of whether that **insured** is actually charged with, or convicted of, a crime. However, this exclusion **(A.14.)** does not apply to traffic violations. This exclusion only applies to the extent that the limits of liability for this coverage exceed the **minimum limits** required by Arizona Financial Responsibility Law.

15. Any **insured** for liability assumed under any contract or agreement by you, any **family member**, or any **rated driver**.

16. Any **insured's** liability arising out of the ownership or operation of a vehicle while it is being used during any period of time by any person who is logged in to a **transportation network platform** or **delivery network platform** as a driver to provide delivery services, including courier services, whether or not the food, goods, items or products to be delivered are in the vehicle to the extent that the limits of liability for this coverage exceed the minimum limits of liability required by the Arizona Financial Responsibility Law.

B. We do not provide Liability Coverage for the ownership, maintenance, or use of:

1. **a.** Any vehicle which:

(1) has fewer than four wheels;

(2) is designed mainly for use off public roads; or

a. owned by you; or

b. furnished or available for your regular use.

3. Any vehicle, other than **your covered auto**, which is:

a. owned by any **family member**, any **rated driver**, or any other person who **resides** with you; or

b. furnished or available for the regular use of any **family member**, any **rated driver**, or any other person who **resides** with you.

However, this exclusion **(B.3.)** does not apply to you while you are maintaining or **occupying** any vehicle which is:

c. owned by a **family member**, a **rated driver**, or any other person who **resides** with you; or

d. furnished or available for the regular use of a **family member**, a **rated driver**, or any other person who **resides** with you.

4. Any vehicle while it is:

6. Any vehicle which is designed or can be used for air flight.

This exclusion **(B.6.)** does not apply to any vehicle which is registered for use on highways while being operated on highways with respect to coverage up to the minimum limits of liability required by the financial responsibility laws of Arizona.

C. We do not provide Liability Coverage for loss, **property damage**, **bodily injury**, cost, or expense due to or as a consequence of, whether controlled or uncontrolled or however caused:

1. Nuclear exposure, reaction, or explosion including resulting fire, smoke, radiation, or contamination; and/or

2. Biological or chemical attack or exposure to biological or chemical agents, or combination of such agents, including resulting contamination or pollution.

D. We do not provide Liability Coverage for loss, **property damage**, **bodily injury**, cost, or expense arising out of or aggravated by, in whole or in part, **mold, fungus, wet rot, dry rot, bacteria, or virus**.

LIMIT OF LIABILITY

A. If your **Declarations Page** indicates “per person”/“per accident” coverage applies:

The limit of liability as shown on your **Declarations Page** for “each person” for Bodily Injury Liability is our maximum limit of liability for all damages, including damages for care and loss of services (including loss of consortium and wrongful death), arising out of **bodily injury** sustained by any one person in any one auto accident.

Subject to this limit for “each person,” the limit of liability shown on your **Declarations Page** for “each accident” for Bodily Injury Liability is our maximum limit of liability for all damages for **bodily injury** resulting from any one auto accident.

The limit of liability shown on your **Declarations Page** for each accident for Property Damage Liability is our maximum limit of liability for all **property damage** resulting from any one accident.

This is the most we will pay regardless of the number of:

1. **Insureds**;

2. Claims made;

3. Vehicles or premiums shown on your **Declarations Page**; or

4. Vehicles involved in the auto accident.

B. If your **Declarations Page** indicates Combined Single Limit applies, Paragraph **A.** above is replaced by the following:

The limit of liability shown on your **Declarations Page** for this coverage is our maximum limit of liability for all damages resulting from any one auto accident. This is the most we will pay regardless of the number of:

1. **Insureds**;

2. Claims made;

3. Vehicles or premiums shown on your **Declarations Page**; or

4. Vehicles involved in the auto accident.

We will apply the limit of liability to provide any separate minimum limits required by law for **bodily injury** and **property damage** liability. However, this provision will not change our total limit of liability.

C. No one will be entitled to receive duplicate payments for the same elements of loss under this coverage and:

1. Part **B** or Part **C** of this policy; or

2. Any Underinsured Motorists Coverage as provided by this policy.

D. A vehicle and attached **trailer** are considered one vehicle. Therefore, the limits of liability will not be increased for an accident involving a vehicle which has an attached **trailer**.

OUT OF STATE COVERAGE

If an auto accident to which this policy applies occurs in any state or province other than the one in which **your covered auto** is principally garaged, we will interpret your policy for that accident as follows:

A. If the state or province has:

1. A financial responsibility or similar law specifying limits of liability for **bodily injury** or **property damage** higher than the limit shown on your **Declarations Page**, your policy will provide the higher specified limit.

2. A compulsory insurance or similar law requiring a non-resident to maintain insurance whenever the non-resident uses a vehicle in that state or province, your policy will provide at least the required **minimum limits** and types of coverage.

B. No one will be entitled to duplicate payments for the same elements of loss.

FINANCIAL RESPONSIBILITY

When this policy is certified as future proof of financial responsibility, this policy shall comply with the law to the extent required.

OTHER INSURANCE

If there is other applicable liability insurance:

1. Any insurance we provide for a vehicle you do not own shall be excess over any other collectible insurance except insurance written specifically to cover as excess over the limits of liability that apply. However, any insurance we provide for a vehicle you do not own will be primary insurance if the vehicle is insured under a policy affording coverage to a named insured engaged in any **auto business**. This applies only if an **insured**:

a. is operating the vehicle; and

b. is neither the person engaged in such business nor that person's employee or agent.

2. Any insurance we provide for a vehicle you own shall be excess of that person engaged in any **auto business** if the accident occurs while the vehicle is being operated by that person or that person's employee or agent.

3. We will pay only our share of the loss. Our share is the proportion that our limit of liability bears to the total of all applicable limits.

PART B — MEDICAL PAYMENTS COVERAGE

INSURING AGREEMENT

A. We will pay **usual and customary charges** incurred for reasonable and necessary medical and funeral expenses because of **bodily injury**:

1. Caused by accident; and

2. Sustained by an **insured**.

Medical treatment, medical services, or provision of medical products must begin within 90 days of the date of the accident. We will pay only those expenses incurred for services rendered within three **(3)** years from the date of the accident.

We have a right to review medical expenses and services to determine if they are reasonable and necessary for the **bodily injury** sustained. We will not pay for experimental procedures or treatments for research projects or research purposes.

B. **"Insured"** as used in this Part means:

1. You, any **family member**, or any **rated driver**:

a motor vehicle designed for use mainly on public roads or a trailer of any type.

2. Any other person while **occupying your covered auto** with your express or implied permission. The actual use must be within the scope of that permission.

3. Any other person while **occupying**, as a guest, an automobile not owned by you, any **family member**, or any **rated driver**, while being operated by you, a **family member**, or a **rated driver**.

However, for the purposes of this coverage, **insured** does not mean:

4. any person who is **occupying** or using **your covered auto** under a **personal vehicle sharing program**; or

5. any person who is **occupying** or using **your covered auto** while it is being rented, leased, or given to others for use in exchange for any form of compensation regardless of whether it is part of or enrolled in a **personal vehicle sharing program**.

C. "Usual and customary charges" as used in this Part mean:

The lowest of the following:

1. The charge billed by the medical provider for covered treatment;

2. The eightieth percentile charge for that covered treatment in the geozip area where the provider is located, as determined through the use of a FAIR Health or similar database;

3. The amount authorized by a state mandated fee schedule or by another law or regulation; or

4. The amount authorized by a written PPN or PPO agreement to which the Medical Provider is a party.

The **insured** shall not be responsible for payment of any reduction applied by us. If a medical provider disputes an amount paid by us, we will be responsible for resolving such disputes.

However, this exclusion **(7.)** does not apply to you.

c. rented, leased, or given to others for use in exchange for any form of compensation regardless of whether it is part of or enrolled in a **personal vehicle sharing program**.

LIMIT OF LIABILITY

A. The limit of liability shown on your **Declarations Page** for this coverage is our maximum limit of liability for each person injured in any one accident. This is the most we will pay regardless of the number of:

1. **Insureds**;

2. Claims made;

3. Vehicles or premiums shown on your **Declarations Page**; or

4. Vehicles involved in the accident.

B. No one will be entitled to receive duplicate payments for the same elements of loss under this coverage and Part **A** or Part **C** of this policy.

C. No person for whom medical expenses are payable under the Medical Payments Coverage shall be paid more than once for the same medical expense under this or similar vehicle insurance, including any no fault benefits required by law.

D. In no event shall the limit of liability of two or more motor vehicles or two or more policies be added together, combined, or stacked to determine the limit of insurance coverage available to you or any **insured**.

OTHER INSURANCE

If there is other applicable auto medical payments insurance available, any insurance we provide shall be excess over any other applicable auto medical payments insurance. If more than one policy applies on an excess basis, we will bear our proportionate share with other collectible auto medical payments insurance.

PART C — UNINSURED MOTORISTS COVERAGE

INSURING AGREEMENT

A. We will pay damages which an **insured** is legally entitled to recover from the owner or operator of an **uninsured motor vehicle** or **underinsured motor vehicle** because of **bodily injury**:

1. Sustained by that **insured**; and

2. Caused by an accident.

The owner's or operator's liability for these damages must arise out of the ownership, maintenance, or use of the **uninsured motor vehicle** or **underinsured motor vehicle**.

Any judgment for damages arising out of suit brought without our written consent is not binding on us.

B. **"Insured"** as used in this Part means:

1. You, any **family member**, or any **rated driver**.

2. Any other person **occupying your covered auto** with your express or implied permission. The actual use must be within the scope of that permission.

3. Any person entitled to recover damages because of **bodily injury** to which this coverage applies sustained by a person described in **B.1.** or **B.2.** above.

C. **"Uninsured motor vehicle"** means a land motor vehicle or trailer of any type:

1. To which no bodily injury liability bond or policy applies at the time of the accident.

c. **your covered auto.**

4. Whose operator or owner cannot be identified and which causes an accident without hitting resulting in **bodily injury** to you, any **family member**, or any **rated driver**.

If there is no physical contact, the facts of the accident must be proved. The person making the claim shall provide corroboration that the unidentified motor vehicle caused the accident. Corroboration means any additional and confirming testimony, fact, or evidence that strengthens and adds weight or credibility to such person's representation of the accident.

At our request, the **insured** or **insured's** legal representative must make available for inspection the vehicle the **insured** was **occupying** at the time of the accident.

5. To which a bodily injury liability bond or policy applies at the time of the accident, but the bonding or insuring company:

This exclusion **(A.2)** does not apply:

5. While **occupying**, or when struck by, **your covered auto** while:

a. enrolled in a **personal vehicle sharing program**;

C. We do not provide Uninsured Motorists Coverage for **punitive or exemplary damages**. We will not pay any attorney's fees or litigation expenses awarded in connection with an award of **punitive or exemplary damages**, or as a result of fines or penalties imposed.

LIMIT OF LIABILITY

A. The limit of liability shown on your **Declarations Page** for "each person" for Uninsured Motorists Coverage is our maximum limit of liability for all damages, including damages for care and loss of services (including loss of consortium and wrongful death), arising out of **bodily injury** sustained by any one person in any one auto accident.

Subject to this limit for "each person", the limit of liability shown on your **Declarations Page** for "each accident" for Uninsured Motorists Coverage is our maximum limit of liability for all damages for **bodily injury** resulting from any one auto accident.

This is the most we will pay regardless of the number of:

1. **Insureds**;

2. Claims made;

3. Vehicles or premiums shown on your **Declarations Page**; or

4. Vehicles involved in the accident.

B. If your **Declarations Page** indicates Combined Single Limit Coverage applies, Paragraph **A.** above is replaced by the following:

The limit of liability shown on your **Declarations Page** for Uninsured Motorists Coverage is our maximum limit of liability for all damages resulting from any one auto accident. This is the most we will pay regardless of the number of:

1. **Insureds**;

2. Claims made;

3. Vehicles or premiums shown on your **Declarations Page**; or

4. Vehicles involved in the auto accident.

We will apply the limit of liability to provide any separate minimum limits required by law for bodily injury liability. However, this provision will not change our total limit of liability.

C. No one will be entitled to receive duplicate payments for the same elements of loss under this coverage and Part **A** or Part **B** of this policy or any Underinsured Motorists Coverage provided by this policy.

D. We will not make a duplicate payment under this coverage for any element of loss for which payment has been made by or on behalf of persons or organizations who may be legally responsible.

E. We will not pay for any element of loss if a person is entitled to receive payment for the same element of loss under any of the following or similar law:

1. Workers' compensation law; or

2. Disability benefits or occupational disease laws.

F. In no event shall the limit of liability of two or more motor vehicles or two or more policies be added together, combined, or stacked to determine the limit of insurance coverage available to you or any **insured**.

G. A vehicle and attached **trailer** are considered one vehicle. Therefore, the limits of liability will not be increased for an accident involving a vehicle which has an attached **trailer**.

OTHER INSURANCE

If there is other applicable insurance available under one or more policies or provisions of coverage that is similar to the insurance provided under this Part of the policy:

1. Any insurance we provide with respect to a vehicle:

a. you do not own, including any vehicle while used as a temporary substitute for **your covered auto**; or

b. owned by you, any **family member**, or any **rated driver** which is not insured for this coverage under this policy; shall be excess over any collectible insurance providing such coverage on a primary basis.

2. We will pay only our share of the loss. Our share is the proportion that our limit of liability bears the total of all applicable limits.

ARBITRATION

A. If we and an **insured** do not agree:

1. Whether that **insured** is legally entitled to recover damages; or

2. As to the amount of damages which are recoverable by that **insured**;

from the owner or operator of an **uninsured motor vehicle** then the matter may be arbitrated. However, disputes concerning coverage under this Part may not be arbitrated.

Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction.

B. Each party will:

1. Pay the expenses it incurs; and

2. Bear the expenses of the third arbitrator equally.

C. Unless both parties agree otherwise, arbitration will take place in the county in which the **insured** lives. Local rules of law as to procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding. Regardless of the award determined by the arbitrators, we will pay no more than our limit of liability for this coverage shown on your **Declarations Page**.

ADDITIONAL DUTIES

A person seeking Uninsured Motorists Coverage must also promptly send us copies of the legal papers if a suit is brought.

PART D — COVERAGE FOR DAMAGE TO YOUR AUTO

INSURING AGREEMENT

A. We will pay for direct and accidental loss to **your covered auto** or any **non-owned auto**, including its equipment, subject to CUSTOMIZED EQUIPMENT COVERAGE, and any child safety seat in use in **your covered auto** or **non-owned auto**, minus any applicable deductible shown on your **Declarations Page**. We will pay for loss to **your covered auto** caused by:

1. Other than **collision** only if your **Declarations Page** indicates that Comprehensive Coverage is provided for that auto.

2. **Collision** only if your **Declarations Page** indicates that Collision Coverage is provided for that auto.

If there is a loss to a **non-owned auto**, we will provide the broadest coverage applicable to any vehicle shown on your **Declarations Page**.

B. **"Collision"** means the upset of **your covered auto** or a **non-owned auto** or its impact with another vehicle or object.

"Comprehensive" means loss, other than **collision**, to **your covered auto** or a **non-owned auto**. Losses caused by the following are not **collision** losses but are **comprehensive** losses:

Loss caused by missiles or falling objects; fire; theft or larceny; explosion or earthquake; windstorm; hail, water, or flood; malicious mischief or vandalism; riot or civil commotion; contact with a bird or animal; or breakage of glass.

If breakage of glass is caused by a **collision**, you may elect to have it considered a loss caused by **collision**.

C. **"Camper body"** means a body equipped as sleeping or living quarters which is designed to be mounted on a pickup.

D. **"Depreciation"** means a decrease in loss in value to **your covered auto**, **non-owned auto**, or personal property because of use, disuse, physical wear and tear, age, outdatedness, or other causes.

E. **1.** **"Non-owned auto"** means:

a. Any private passenger auto, pickup, van (other than cargo van), or **trailer** with a Gross Vehicle Weight Rating of 12,000 pounds or less or any cargo van or moving van with a Gross Vehicle Weight Rating of 18,000 pounds or less, not owned by or furnished or available for the regular use of you, any **family member**, or any **rated driver** while in the custody of or being operated by you, any **family member**, or any **rated driver**; or

b. Any auto or **trailer** you do not own while used as a **temporary substitute vehicle** for **your covered auto**.

2. **"Non-owned auto"** does not include any vehicle which has been operated or rented by or in the possession of you, any **family member**, or any **rated driver** for 30 or more consecutive days. This does not apply to a **temporary substitute vehicle** authorized by us.

DEDUCTIBLES

Unless stated otherwise, the applicable deductible shown on your **Declarations Page** shall be applied to each accidental loss covered under this Part of the policy. However,

1. If loss to more than one of **your covered autos** or a **non-owned auto** results from the same loss, only the highest applicable deductible will apply.

2. No deductible will apply to **your covered auto** or a **non-owned auto** if the loss to **your covered auto** or a **non-owned auto** results from the same event as a loss covered under your Safeco Homeowners, Condominium, or Renters policy and we issue a payment under your Homeowners, Condominium, or Renters policy for the loss.

3. If you, any **family member**, or any **rated driver** dies as a result of a **collision** and Collision Coverage applies at the time of the accident, the **collision** deductible applicable to **your covered auto** or **non-owned auto** will not apply. If the death occurs after the **collision** deductible has already been applied, you will be reimbursed for the **collision** deductible amount. Your **collision** deductible is shown on your **Declarations Page**.

CUSTOMIZED EQUIPMENT COVERAGE

A. We will pay up to $500 for theft or damage to **customized equipment** if the loss is caused by:

1. Other than **collision** only if your **Declarations Page** indicates that Comprehensive Coverage is provided for that auto.

2. **Collision** only if your **Declarations Page** indicates that Collision Coverage is provided for that auto.

Payments shall be reduced by the applicable deductible. However, only one deductible will be applied for any one loss. If you or the owner of a **non-owned auto** keeps salvaged material, payments will also be reduced by the salvage value. In no way shall this coverage increase the limit of liability for **your covered auto** or any **non-owned auto**.

B. The limit for equipment designed solely for the reproduction of sound, including any accessories used with such equipment, which is not installed in the dash or console openings specified by the auto manufacturer of such equipment or accessories is $500.

C. If you have purchased additional coverage for **customized equipment** we will pay up to the amount of coverage you have purchased in addition to the $500 limit provided by the policy. This additional coverage must be shown on your **Declarations Page**.

D. The most we will pay for parts, equipment, and accessories that are:

1. not installed by the auto manufacturer or dealer; and

2. permanently installed in or upon the auto;

is the actual cash value of the vehicle not including such parts, equipment, and accessories.

TRANSPORTATION EXPENSES

A. Subject to the limitations described in Paragraphs **B.** and **C.** below, we will pay:

1. Temporary transportation expenses incurred by you in the event of the total theft of **your covered auto** or a **non-owned auto**. We will pay for such expenses only if your **Declarations Page** indicates that Comprehensive Coverage is provided for that auto. We will pay only expenses incurred during the period:

a. beginning 48 hours after the theft; and

b. ending when **your covered auto** or the **non-owned auto** is returned to use or we pay for its loss.

2. Indirect loss expenses for which you become legally responsible in the event of a loss to a **non-owned auto**. We will pay only expenses beginning when the **non-owned auto** is withdrawn from use for more than 24 hours. We will pay for indirect loss expenses if the loss is caused by:

a. A **comprehensive** loss only if your **Declarations Page** indicates that Comprehensive Coverage is provided for any **your covered auto**.

b. **Collision** only if your **Declarations Page** indicates that Collision Coverage is provided for any **your covered auto**.

B. For the expenses described in Paragraphs **A.1.** and **A.2.** above, we will pay the greater of the following, without application of a deductible:

However, this exclusion **(24.)** does not apply to traffic violations.

25. Loss to any vehicle which is designed or can be used for air flight.

LIMIT OF LIABILITY

A. At our option, our limit of liability for loss will be the lowest of:

1. The actual cash value of the stolen or damaged property, reduced by the applicable deductible shown on your **Declarations Page** and by the salvage value if you retain salvage;

2. **a.** The amount necessary to repair or replace the property reduced by the applicable deductible;

b. Determination of the cost of repair or replacement will be based upon one of the following:

(1) the cost of repair or replacement agreed upon by you and us;

(2) a competitive bid approved by us; or

(3) an estimate written based upon the prevailing competitive price. You agree with us that we may include in the estimate parts furnished by the original vehicle manufacturer or parts from other sources including non-original equipment manufacturers. The prevailing competitive price means prices charged by a majority of the repair market in the area where the vehicle is to be repaired as determined by us; or

3. The limit of liability shown on your **Declarations Page**.

However, the most we will pay for loss to any **non-owned auto**, which is a **trailer**, is $1,500.

B. An adjustment for **depreciation** and physical condition may be made based upon the physical condition and wear and tear of the property or damaged part of the property at the time of the loss. This adjustment for physical condition includes but is not limited to, broken, cracked, or missing parts, rust, dents, scrapes, gouges, and paint condition. When replacing parts normally subject to repair or replacement during the useful life of the vehicle, we will not pay for the amount of any betterment. In this case, the actual cash value consists of the value of the vehicle not including any **customized equipment**.

PAYMENT OF LOSS

We may pay for loss in money or repair or replace the damaged or stolen property. We may, at our expense, return any stolen property to:

1. You; or

2. The address shown in this policy.

If we return stolen property, we will pay for any damage resulting from the theft. We may keep all or part of the property at an agreed or appraised value.

If we pay for loss in money, our payment will include the applicable sales tax for the damaged or stolen property.

NO BENEFIT TO BAILEE

This insurance shall not directly or indirectly benefit any carrier or other bailee for hire.

OTHER SOURCES OF RECOVERY

If other sources of recovery also cover the loss, we will pay only our share of the loss. Our share is the proportion that our limit of liability bears to the total of all applicable limits. However, any insurance we provide with respect to a **non-owned auto** shall be excess over any other collectible source of recovery including, but not limited to:

1. Any coverage provided by the owner of the **non-owned auto**;

2. Any other applicable physical damage insurance;

3. Any other source of recovery applicable to the loss.

APPRAISAL

A. If we and you do not agree on the amount of loss, either may demand an appraisal of the loss. In this event, each party will select a competent appraiser. The two appraisers will select an umpire. The appraisers will state separately the actual cash value and the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and

2. Bear the expenses of the appraisal and umpire equally.

B. We do not waive any of our rights under this policy by agreeing to an appraisal.

LIMITED MEXICO COVERAGE

WARNING

AUTO ACCIDENTS IN MEXICO ARE SUBJECT TO THE LAWS OF MEXICO, NOT THE LAWS OF THE UNITED STATES. UNDER MEXICAN LAW, AUTO ACCIDENTS ARE CONSIDERED A CRIMINAL OFFENSE AS WELL AS A CIVIL MATTER.

THE COVERAGE WE PROVIDE UNDER THIS COVERAGE DOES NOT MEET MEXICAN AUTO INSURANCE REQUIREMENTS.

YOU ARE REQUIRED TO PURCHASE LIABILITY INSURANCE THROUGH A LICENSED MEXICAN INSURANCE COMPANY FOR THIS COVERAGE TO APPLY.

INSURING AGREEMENT

A. All Liability, Medical Payments, Uninsured Motorists Coverage, Underinsured Motorists Coverage, and Coverage For Damage to Your Auto afforded to an **insured**, as defined under the policy coverages, is extended to accidents occurring in Mexico within 100 miles of the United States border. This extension of coverage only applies while an **insured** seeking Limited Mexico Coverage is in Mexico on a trip of ten (10) days or less.

Our duty to defend under the Liability Coverage of this policy will apply only if:

1. The original suit for damages is brought in the United States; and

2. The suit does not involve a Mexican citizen or resident.

B. **"Your covered auto"** as used under this coverage means:

1. Any vehicle shown in your **Declarations Page**.

2. Any of the following types of vehicles on the date you become the owner:

a. a private passenger auto;

b. a pickup or van that:

(1) has a gross vehicle weight of less than 10,000 lbs.; and

(2) is not used for the delivery or transportation of goods and materials unless such use is:

(a) incidental to your **business** of installing, maintaining, or repairing furnishings or equipment; or

(b) for farming or ranching.

c. a motor home or **trailer**.

This provision applies only if:

d. you acquire the vehicle during the policy period;

e. you ask us to insure the vehicle within 30 days after you become the owner; and

f. the vehicle is principally garaged and used in the United States.

EXCLUSIONS

The following exclusions are in addition to any exclusions found under the other Parts of the policy.

A. We do not provide coverage to any **insured**:

1. If liability insurance from a licensed Mexican Insurance Company is not in force at the time of loss;

2. While **occupying** an auto other than **your covered auto**; or

3. Who is a citizen or resident of Mexico.

This exclusion **(A.3.)** does not apply to loss payable under Coverage for Damage to Your Auto if the accident arises out of the operation of **your covered auto** by a Mexican citizen or resident.

B. We will not pay under Coverage for Damage to Your Auto for auto repairs made in Mexico unless **your covered auto** cannot be driven in its damaged condition.

OTHER INSURANCE

The insurance provided under this coverage is excess over any other collectible insurance.

LOSSES PAYABLE UNDER COVERAGE FOR DAMAGE TO YOUR AUTO

We will pay losses under Coverage for Damage to Your Auto in the United States, not in Mexico. If **your covered auto** must be repaired in Mexico in order to be driven, we will not pay more than the actual cash value of such loss at the nearest United States point where the repairs can be made.

PART E — DUTIES AFTER AN ACCIDENT OR LOSS

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

A. We must be notified promptly of how, when, and where the accident or loss happened. Notice should also include the names and addresses of any injured persons and of any witnesses.

B. Any **insured** making claim or seeking payment must:

1. Cooperate with us in the investigation, settlement, or defense of any claim or suit. This includes but is not limited to recorded interviews at a reasonable location, while not in the presence of any other person or establishment making a claim or claiming benefits. The recorded interview may be recorded by audio, video, court reporter, or any combination thereof.

2. Send us copies of any notices or legal papers received in connection with the accident or loss.

3. Give us written authorization to get or copy:

a. medical records and reports, including current reports, notes, and test results, records of prior medical history and treatment, therapy records, and counseling records;

b. credit and financial records;

c. photographs. This includes but is not limited to photographs of the scene of loss, or photographs of any vehicle involved in a claim for **bodily injury** or **property damage**;

d. telephone records, including cellular, text messaging, and all other telephonic communication records, including billing records; and

e. other records we deem relevant in the investigation or settlement of a claim.

4. Authorize us to get any information on or from any telematics, data, maintenance, or event recorder device installed in **your covered auto** as we deem relevant to the facts of the accident or loss.

5. Submit, as often as we reasonably require within 30 days of our request to:

a. physical and mental examinations by physicians we select. We will pay for these exams. If that person unreasonably refuses to submit to an exam, we will not be liable for subsequent medical benefits.

b. interviews and recorded statements without the need for us to conduct an examination under oath.

c. examination under oath and subscribe the same. We may examine any **insured** separately and apart from the presence of any other **insured**.

6. Submit a proof of loss, under oath if requested, when required by us within 30 days of our request. Proof of loss forms will be provided upon written request.

C. We may require any person, including any person operating **your covered auto** with your express or implied permission, making a claim with us to also:

1. Submit a proof of loss, under oath if requested, when required by us within 30 days of our request;

2. Submit to examinations under oath, as often as reasonably needed, and subscribe the same. The scope of questioning during the examination under oath is limited to relevant information or information that could reasonably be expected to lead to relevant information. The examination under oath may be recorded by audio, video, court reporter, or any combination thereof. We may examine any **insured** separately and apart from the presence of any other **insured**.

3. Submit to interviews and recorded statements without the need for us to conduct an examination under oath. The recorded interview may be recorded by audio, video, or court reporter or any combination thereof.

Compliance with these requirements is a condition precedent to filing suit under the policy.

D. A person seeking Uninsured Motorists Coverage must also:

1. If a hit-and-run driver or an unidentified owner or operator who causes an accident without hitting is involved:

a. report the accident to the police or other civil authority within twenty-four (24) hours or as soon as practicable; or

b. provide corroboration of the accident;

Corroboration means any additional and confirming testimony, fact, or evidence that strengthens and adds weight or credibility to such person's representation of the accident; and

2. Promptly send us copies of the legal papers if a suit is brought.

E. A person seeking Coverage for Damage to Your Auto must also:

1. Take reasonable steps after loss to protect **your covered auto** or any **non-owned auto** and its equipment from further loss. We will pay reasonable expenses incurred to do this.

2. Promptly notify the police if **your covered auto** or any **non-owned auto** is stolen.

3. Allow us to inspect and appraise, at our option, the damaged property before its repair or disposal.

PART F — GENERAL PROVISIONS

POLICY PERIOD AND TERRITORY

A. This policy applies only to accidents and losses which occur:

1. During the policy period as shown on your **Declarations Page**; and

2. Within the policy territory.

B. The policy period is the period shown on your **Declarations Page**. The policy may be renewed for successive policy periods if the required premium is paid and accepted by us on or before the expiration of the current policy period. The premium will be computed at our then current rate for coverage then offered.

C. The policy territory is:

1. The United States of America, its territories, or possessions;

2. Puerto Rico; or

3. Canada.

This policy also applies to loss to, or accidents involving, **your covered auto** while being transported between their ports.

BANKRUPTCY

Bankruptcy or insolvency of the **insured** shall not relieve us of any obligations under this policy.

CHANGES

A. This policy, your **Declarations Page**, and endorsements issued by us to this policy contain all the agreements between you and us. Its terms may not be changed or waived except by endorsement issued by us.

B. The premium for your policy is based on information we have received from you or other sources. You agree to cooperate with us in determining if this information is correct and complete and you will notify us if it changes. If this information is incorrect, incomplete, or changes, we will adjust your premium during the policy term or take other appropriate action based upon the corrected, completed, or changed information. Changes during the policy term that will result in a premium increase or decrease during the policy term include, but are not limited to, changes in:

1. The number, type, or use classification of insured vehicles.

2. Operators using insured vehicles including newly licensed **family member** drivers.

3. Any household members that have licenses.

4. Your residence address.

5. The location where your vehicle is principally garaged.

6. **Customized equipment** or parts.

7. The persons who regularly operate **your covered autos**.

8. The driver's license or operator's permit status of you, a **family member**, a **rated driver**, or others **residing** in your household.

You also agree to disclose all licensed drivers **residing** in your household.

You must promptly notify us when you change your address, add or delete drivers **residing** in the household and additional frequent drivers, or you add, delete, or replace autos.

C. If we make a change which broadens coverage under this edition of your policy without additional premium charge, that change will automatically apply to your policy as of the date we implement the change in your state. This paragraph **(C.)** does not apply to changes implemented with a general program revision that includes both broadenings and restrictions in coverage, whether that general program revision is implemented through introduction of:

1. A subsequent edition of your policy; or

2. An Amendatory Endorsement.

D. Additional or return premium of $3.00 or less resulting from policy changes will be waived.

PAYMENT OF PREMIUM

If your initial premium payment is by check, draft, or any remittance other than cash, coverage under this policy is conditioned upon the check, draft, or remittance being honored upon presentment to the bank or other financial institution. If the check, draft, or remittance is not honored upon presentment, this policy may, at our option, be deemed void from its inception. This means that we will not be liable under this policy for any claims or damages which would otherwise be covered if the check, draft, or remittance had been honored upon presentment.

FRAUD

A. This policy was issued in reliance upon the information provided on your application. Any changes we make at your request to this policy after inception will be made in reliance upon information you provide.

We may void this policy or deny coverage because of misrepresentations, omissions, concealment of facts and incorrect statements if:

1. Fraudulent;

2. Material either to the acceptance of the risk, or to the hazard assumed by us; and

3. We in good faith would either not have issued a policy in as large of an amount, or would not have provided coverage with respect to the hazard resulting in the loss, if the true facts had been made known to us as required either by the application for the policy or otherwise.

We will only void this policy in excess of the **minimum limits** specified by the Arizona Financial Responsibility Law for bodily injury or property damage liability.

B. We may deny coverage for an accident or loss if you or an **insured** have concealed or misrepresented any material fact or circumstance, or engaged in fraudulent conduct, in connection with the presentation or settlement of a claim. We will not void this policy or deny coverage for **bodily injury** or **property damage** if you or an **insured** is legally responsible for such damages because of an auto accident.

LEGAL ACTION AGAINST US

A. No legal action may be brought against us until there has been full compliance with all the terms of this policy. In addition, under Part **A**, no legal action may be brought against us until:

1. We agree in writing that the **insured** has a legal obligation to pay damages; or

2. The amount of that obligation has been finally determined by judgment after trial.

B. No person or organization has any right under this policy to bring us into any action to determine the legal liability of an **insured**.

OUR RIGHT TO RECOVER PAYMENT

A. If we make a payment under this policy and the person to or for whom payment was made has a right to recover damages from another person, entity, or organization we shall be subrogated to that right. That person shall do:

1. Whatever is necessary to enable us to exercise our rights; and

2. Nothing after loss to prejudice them.

However, our rights in this paragraph **(A.)** do not apply:

3. under Part **D**, against any person using **your covered auto** with the express or implied permission of you or other person having lawful possession; and

4. to Part **B** — Medical Payments Coverage if payment is $5,000 or less.

B. If we make a payment under this policy and the person to or for whom payment is made recovers damages from another, that person shall:

1. Hold in trust for us the proceeds of the recovery; and

2. Reimburse us to the extent of our payment.

This provision **(B.)** does not apply to Uninsured Motorists Coverage and Medical Payments Coverage.

C. With respect to Medical Payments Coverage, if we make a payment under this coverage and the person to or for whom payment is made recovers damages from another we:

1. Shall be entitled to the proceeds of the recovery; and

2. May have a lien against such recovery;

to the extent of our payment in excess of $5,000. Notice of the lien shall be given in writing to:

3. A court having jurisdiction;

4. The **insured**;

5. Each person, firm, and corporation that the **insured** or the **insured's** legal representative alleges are liable for damages arising from the accident; and

6. That person's, firm's, and corporation's insurers.

D. With respect to Uninsured Motorists Coverage, if we make a payment under Uninsured Motorists Coverage and the person to or for whom payment was made has a right to recover damages from the owner or operator of an **uninsured motor vehicle** we shall be subrogated to that right. That person shall do:

1. Whatever is necessary to enable us to exercise our rights; and

2. Nothing after loss to prejudice them.

1. The named insured shown on your **Declarations Page** may cancel by:

We cannot cancel solely because of location of the residence, age, race, color, religion, sex, national origin, or ancestry of anyone who is an **insured**. Notice shall be mailed:

During this 7 day grace period for the payment of any premium due, this policy shall continue in full force subject to the Termination provisions of the policy. Cancellation is to take effect as of the date of the mailing of this notice.

b. at least ten (10) days prior to the date cancellation is to take effect in all other cases.

3. After this policy is in effect for 60 days, or if this is a renewal policy, we will cancel only:

a. for nonpayment of premium for this policy or any installment thereof; or

b. if the insurance was obtained through fraudulent misrepresentation; or

(c) leaving the scene of an accident;

(d) making false statements in an application for a driver's license; or

(e) reckless driving;

d. if **your covered auto** is used regularly and frequently for commercial purposes by:

(1) you;

(2) any other driver who **resides** with you and who customarily uses **your covered auto**; or

(3) any driver who regularly and frequently uses **your covered auto**.

e. we are placed in rehabilitation or receivership by the Insurance Supervisory Official in our state of domicile or by a court of competent jurisdiction, or the Director of Insurance has suspended our Certificate of Authority based on our financially hazardous condition.

f. the Director of Insurance determines that the continuation of this policy would place us in violation of the laws of Arizona or would jeopardize our solvency.

B. **Nonrenewal.** If we decide not to renew this policy, we will mail notice to the named insured shown on your **Declarations Page** at the address shown in this policy. Notice will be mailed at least 45 days before the end of the policy period except for non payment of premium as provided in the Offer to Renew provision.

We will nonrenew or refuse to continue this policy if the named **insured** shown on your **Declarations Page** establishes a primary residence in a state other than Arizona.

C. We will not cancel, nonrenew, or reuse to continue this policy based solely on the location of residence, age, race, color, religion, sex, national origin, or ancestry of anyone who is an **insured**.

D. **Offer To Renew**. If we offer to renew or continue this policy and you or your representative do not pay the required renewal or continuation premium within the seven (7) days after the due date, thereby not accepting our offer, we may terminate this policy by mailing notice of termination to the named insured at the address shown on your **Declarations Page** on or after the eighth (8th) day following the due date.

Termination is to take effect on the earliest of the following dates:

1. The date of the mailing of the notice; or

However, if you or your representative notifies us in writing that you:

3. Have obtained other insurance on **your covered auto**; or

4. Do not wish to renew or continue this policy;

the above provision does not apply and any insurance provided by this policy will terminate in accordance with the Automatic Termination provision below.

E. **Automatic Termination.** If you notify us in writing that you do not wish to renew or continue, any insurance provided by this policy will automatically terminate the end of the current policy period. We will mail you a notice of termination.

Coverage shall automatically terminate when your vehicle is sold, assigned, gifted, title transferred, or possession permanently transferred to anyone other than you, any **family member**, or any **rated driver**.

F. **Other Termination Provisions.**

1. If this policy is canceled, you may be entitled to a premium refund. If so, we will send you the refund. The premium refund, if any, will be computed according to our manuals. However, making or offering to make the refund is not a condition of cancellation.

2. The effective date of cancellation is stated in the notices.

TRANSFER OF YOUR INTEREST IN THIS POLICY

A. Except for assignment of a claim, your rights and duties under this policy may not be assigned without our written consent. However, if a named insured shown on your **Declarations Page** dies, coverage will be provided for:

1. The surviving spouse or domestic partner if **residing** in the same household at the time of death. Coverage applies to the spouse, civil partner, or domestic partner as if a named insured shown on your **Declarations Page**; and

2. The legal representative of the deceased person as if a named insured shown on your **Declarations Page**. This applies only with respect to the representative's legal responsibility to maintain or use **your covered auto**.

B. Coverage will only be provided until the end of the policy period.

TWO OR MORE AUTOS INSURED; TWO OR MORE AUTO POLICIES

If this policy insures two or more autos or if any other auto insurance policy issued to you by us applies to the same accident, the maximum limit of our liability shall not exceed the highest limit applicable to any one auto. In no event shall the limit of liability of two or more motor vehicles or two or more policies be

added together, combined, or stacked to determine the limit of insurance coverage available to you or any **insured**.

With respect to Uninsured Motorists Coverage and Underinsured Motorists Coverage, only one vehicle's coverage issued by us will apply to the same accident or claim. If multiple policies or coverages purchased by an **insured** on different vehicles and issued by us apply to an accident or claim, only one coverage from the policy or policies we issue, selected by an **insured**, will apply to the accident or claim. If there is more than one **insured** seeking coverage from a single accident, only one policy or coverage may be selected, and each **insured** seeking coverage for that single accident is limited to the Each Person and Each Accident limits of that one policy or coverage, regardless of the number of **insureds**. We will assume that the **insured** who is selecting the coverage will choose to apply the coverage with the single highest applicable limit regardless of the number of policies or coverages issued by us unless we are informed otherwise. For purposes of this provision, the terms "we" and "us" include any affiliate insurer under common management.

LOSS PAYABLE CLAUSE

As to the interest of the loss payee, this policy will remain in effect from the inception date and until ten (10) days after proof of mailing that the cancellation notice has been mailed to the loss payee. When we pay the loss payee we shall, to the extent of payment, be subrogated to the loss payee's rights of recovery.

Where fraud, misrepresentation, material omission, or intentional damage has been committed by or at the direction of any **insured**, or where the loss is otherwise not covered under the terms of the policy, the loss payee or lienholder's interest will not be protected. We have the right to seek reimbursement from you to the extent of our payment to the loss payee or lienholder.

STORAGE COSTS

We may move your vehicle or damaged property, at our expense, to a facility of our choice, to reduce storage costs pending resolution of the claim. If we are prevented from moving your vehicle or damaged property, we will reduce payment of the storage costs to the amount which would have resulted if we had moved the damaged property.

ADDITIONAL POLICY PROTECTION

If one or more of our programs apply to you, you will be eligible to receive benefits specific to that program. The benefits enhance the safety, value, usability, life, or protection of you or your insurable assets. These benefits include, but are not limited to, reduced deductibles, devices, equipment, services, or other benefits provided by either us or a business partner. These benefits are subject to change at any time. All other policy terms and conditions apply.

SPECIAL STATE PROVISION

Warning — Unless you have automobile insurance written by a Mexican insurance company, you may spend many hours or days in jail, if you have an accident in Mexico. Insurance coverage should be secured from a company licensed under the laws of Mexico to write such insurance in order to avoid complications and some other penalties possible under the laws of Mexico, including the possible impoundment of your vehicle.

Subject to this limit for "each person", the limits of liability shown on your **Declarations Page** for "each accident" for Underinsured Motorists Coverage is our maximum limit of liability for all damages for **bodily injury** resulting from any one accident. This is the most we will pay regardless of the number of:

1. Insureds;

2. Claims made;

3. Vehicles or premiums shown on your **Declarations Page**; or

4. Vehicles involved in the accident.

B. No one will be entitled to receive duplicate payments for the same elements of loss under this coverage and Part **A**, Part **B**, or Part **C** of this policy.

However, any reduction of the **insured's** total damages will not reduce the limit of liability for this coverage.

OTHER INSURANCE

If there is other applicable similar insurance, we will pay only our share of the loss. Our share is the proportion that our limit of liability bears to the total of all applicable limits. However, any insurance we provide with respect to a vehicle you do not own or owned by you, any **family member**, or any **rated driver** which is not insured for this coverage under this policy shall be excess over any other collectible insurance.

ARBITRATION

A. If we and an **insured** do not agree:

1. Whether that **insured** is legally entitled to recover damages; or

2. As to the amount of damages which are recoverable by that **insured**;

from the owner or operator of an **underinsured motor vehicle** then the matter may be arbitrated. However, disputes concerning coverage under this Part may not be arbitrated.

Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction.

B. Each party will:

1. Pay the expenses it incurs; and

2. Bear the expenses of the third arbitrator equally.

C. Unless both parties agree otherwise, arbitration will take place in the county in which the **insured resides**. Local rules of law as to procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding as to:

1. Whether the **insured** is legally entitled to recover damages; and

2. The amount of damages. This applies only if the amount does not exceed the **minimum limit** for bodily injury specified by the financial responsibility law of Arizona. If the amount exceeds that limit, either party may demand the right to a trial. This demand must be made within 60 days of the arbitrator's decision. If this demand is not made, the amount of damages agreed to by the arbitrators will be binding.

Regardless of the award determined by the arbitrators, we will pay no more than our limit of liability for this coverage shown on your **Declarations Page**.
